### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Methods for making wound dressings are known as demonstrated by the prior art of record. The prior art of record, however, fails to teach or fairly suggest to one having ordinary skill in the art, a method for making a wound dressing including an absorbent core and an elastomeric gel facing layer adhered thereto, comprising the steps of curing the elastomeric gel layer to a partially cured state and applying the absorbent core to a surface of the partially cured elastomeric gel layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
